^[2] Certain statements for the M&T 039 Account included two months of activity in one statement, including July/Aug 2007, Oct/Nov 2007, Jan/Feb 2008, April/May 2008, July/Aug 2008 and Oct/Nov 2008. For the first month in each of these periods, I have included the account value of the Treasury Bills reflected on the prior month account statement. The value of the Money Market Fund is based on the activity reflected on the combined account statement, including interest earned.
